In addition, a school that receives funds under ESEA section 1111(h)(6) Parents' Right to Know will provide parents information on the level of achievement of the parent's child in each of the State required academic assessments and timely notice in the event the child has been assigned or taught for 4 or more consecutive weeks by a teacher who is not highly qualified.

Mission Statement:

The mission of Marjorie Williams Academy is to offer a stable, emotionally supportive, educational environment for children with a goal of empowering each child to achieve his or her real academic and social potential.

School begins at 9:55 on two-hour delay days. The two-hour delay schedule varies depending on the grade level.

***Breakfast is not served on a 2-hour delay schedule**

Attendance

It is the responsibility of students to attend school every day. The following rules relate to absences:

A. Excused Absences. Marjorie Williams Academy carefully follows North Carolina school law with regard to attendance and absences. The Principal or designee may excuse a student's absence for the following reasons if adequate evidence of the excuse is provided to the school:

- **Illness or injury:** When the absence results from illness or injury, which prevents the student from being physically able to attend school.
- A note from the parent/guardian may be used to excuse up to three absences. For any further absences a written excuse from the physician's office must be presented upon the student's return to school.
- **Quarantine:** When the student's isolation is ordered by the local health officer or by the State Board of Health.
- **Death in the immediate family:** When the absence results from the death of a member of the immediate family of the student. The immediate family of a student includes but is not limited to grandparents, parents, and siblings.
- **Medical or Dental appointments:** When absence is due to a student's medical or dental appointment. **A written excuse from the physician's office must be presented upon the student's return to school.**
- **Court or Administrative Proceedings:** When the student is party to or is under subpoena as a witness in the proceedings of a court or administrative tribunal.
- **Religious Observances:** When a student or the student's parent/custodian adheres to a religion in which the tenets require or suggest the observance of a religious event, the parents **must seek prior approval from the Principal for such absence.** The approval of such absences is within the discretion of the Principal. Approval should be granted unless the religious observance or the cumulative effect of religious observances is of such duration as to interfere with the education of the student.
- **Educational Opportunity:** When the student misses school due to a valid educational opportunity and obtains the Principal's prior written approval. (Note: No family educational opportunity trips will be excused absences if taken during the first twenty (20) days of school.)

B. Notification and Excuse Notes. When a student is going to miss all or part of the school day, a parent/CP is required to contact the Academy office as soon as possible and not later than 8:15 a.m. on the date of absence. In addition, a written and signed note (by the parent/CP) with the explanation is required upon the student's return and should be given to the Daily Operations Coordinator or Director of Student Affairs. For an absence to be lawfully excused per North Carolina School Law, it must contain a valid excuse (see list above) and be provided to the school within three (3) days of the student's absence. An absence may NOT be excused if a note is not provided to the school within three (3) days following the student's return. **A note from the parent/guardian may be used to excuse up to three absences. For any further absences a written excuse from the physician's office must be presented upon the student's return to school.**

C. After the first twenty (20) days of school, family or educational trips may be deemed excused absences for students in good academic standing at the discretion of the Principal under the following conditions:

- The Principal receives one week's advance written notice, and
- The Principal determines that the reason for the trip is legitimate under North Carolina School Law and determines that the student is in good academic standing.

D. In all cases of absence, students are expected to complete all missed work in a timely manner.

E. An unexcused or illegal absence is an absence based on any reason other than those specified in Section A above pursuant to North Carolina School Law. Such an absence cannot be

excused even upon presentation of a written explanation of the reason for the absence. Failure to provide a written explanation (see section B above) may also result in an unexcused absence.

F. A student who misses any portion of a school day, except for reasons set forth as excused absences, will ordinarily not be allowed to participate that day in any school-sponsored activity.

G. North Carolina Law requires that children between the ages of 7 and 16 years must attend school. Marjorie Williams Academy will diligently adhere to the North Carolina Compulsory School Attendance Law, including N.C.G.S. 115C-378.

Tardiness Policy

It is the responsibility of students to be on time for school and classes. The following rules relate to tardiness:

A. Students who arrive after 7:55 a.m. are required to report directly to class. Lateness may be excused for reasons of illness, medical/dental appointment, and emergencies.

B. Classroom teachers will track students who are tardy to individual classes. Three (3) tardies under this section will be considered excessive, and will be reported to the office and may result in lunch detention or social isolation.

C. For every tardy after the 3rd tardy, students may receive lunch detention, social isolation, and/or an additional hour of detention after school. Parents/CPs will be notified when detention is given.

D. Students who are out of class with permission, but unnecessarily delay returning to class, will be considered tardy.

Early Dismissal

A note signed by a parent stating the time and reason why the student needs to leave early must be presented to the school office on the day of the early departure. Prior to leaving the school building, the departing student's parent/CP must sign out the student. If the student returns to school during the same day, he/she must present a written excuse to the office, sign back in, and receive an Admit Slip.

Makeup Work

Students are entitled to make up work from all absences. Students are responsible for securing and arranging to make up work directly with their teachers. Make-up work shall be assigned at the discretion and convenience of the teacher and may be specific material missed by the student, or may be reinforcement or enrichment assignments.

Remote Learning Plan

Student/Parents/CPs are required to know and understand the Remote Learning Plan, and be prepared to follow the plan in the event it is necessary to move to remote learning instruction. You can find The Remote Learning Plan posted on the website at <http://williamsacademy.org>

Health Care

As preventive measures, we encourage everyone to wash hands often with soap and water, especially after a cough or sneeze (into the arm or tissue, please) and to avoid touching eyes, nose and mouth.

CPs/Parents: Please do not send your children to school if they have been sick the previous night or morning in the cottage/home.

If children become sick during the school day, they will be sent to the office to call CP/parent. Please keep your child at home if they have any of the following symptoms:

- *Fever
- *Sore throat
- *Watering or discharging eyes
- *Skin rash, spots, or bumps
- *Nausea, vomiting, diarrhea, or chills

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

All students will have their temperature checked as soon as they arrive at school and will be sent home if they have a temperature above 100.5, or the most current recommendation by the CDC.

***** No student will be allowed to return to school until they have been fever free without the aid of medicine (i.e. Tylenol) for at least 24 hours. The time out of school could be extended beyond the 24 hours based on symptoms and the NCDPI/DHHS/CDC guidelines.**

Marjorie Williams Academy Medication Policy

Whenever possible all medicines should be given at home. In the event that medications must be administered during school hours, Marjorie Williams Academy Board of Education authorizes designated school personnel to administer medication prescribed by a physician and other practitioners authorized to prescribe medication upon written request and authorization of the Parent's/CP's/Guardian's as permitted by North Carolina General Statutes according to established procedures by NC general statutes (Legal Ref. G.S/ 115C 307C). Designated school personnel may include teachers, substitute teachers, teacher assistants or other school employees. The Board of Education assumes no responsibility for students who self-medicate. Under absolutely no circumstances will a student be administered any medication without the written authorization from a Parent/CP/Guardian.

A. Prescription Medication

Whenever possible, prescription medication is to be given at home. If given at school, the following should be adhered to in giving prescription medications:

- Medication is to be brought to the school in the original container.
- Medication is to be properly labeled by the druggist.

It is the Parent's/CP's/Guardian's responsibility to inform the school of any changes in medication.

B. Allergic Reaction/Emergency Medications

In most cases, these medications are self-administered, however, school personnel should be present and documentation should be followed.

It is the Parent's/CP's/Guardian's responsibility to inform school personnel of the potential emergency and to furnish the medication and any needed supplies according to the medication policy. It is the responsibility of the school nurse to instruct appropriate school personnel regarding signs and symptoms, indications and possible side effects, and how to administer the medication for allergic reaction at the request of the principal.

C. Over the Counter Medications

All medications administered at school require a written request and written authorization from the Parent's/CP's/Guardian and a physician or authorized prescriber.

Emergency Closing, School Cancellation, Inclement Weather

Marjorie Williams Academy does not transport and therefore is able to operate school on most snowy days. However, during extremely bad weather, it may become necessary to delay school, cancel school or close school early. Once a decision has been made a message will be dispatched through our PhoneTree system and via email, in addition to being posted on our website at www.williamsacademy.org and on our Facebook page Williams Academy (formerly-Crossnore Academy). Please be sure to check your answering machine/Voice mail for notices.

In every case, we assume that parents will make their own, independent decisions about safe travel during such times. When Marjorie Williams Academy is open, if it is unsafe for families to travel from their homes to school, they should notify the school to let administrators know that they've deemed road travel from their homes unsafe. CPs/Parents and students must make necessary arrangements in case the school closes early. Plans must include person(s) who will be picking up the student at school. Students may not leave school with another student without written permission of the parent.

School Property

Students are expected to respect school property at all times. Damage to school property may result in a fee for damages and/or replacement. Malicious damage may also lead to disciplinary consequences.

Food

Students are not allowed to bring food and/or soft drinks to school. This would include all sport/energy drinks as well as snacks from the home/cottage or unfinished food from the dining hall. We request CPs and community parents to cooperate with the school by ensuring that students bring **WATER ONLY** as a beverage.

The Community Eligibility Provision (CEP)

Marjorie Williams Academy is a CEP school. CEP provides an opportunity for schools and local educational agencies (LEAs) in high poverty areas to provide free breakfast and lunch to all students without discrimination, or the burden of collecting and processing school meal applications for free and reduced price meals.

Visitors to Campus

All visitors to the school, including parents, must enter and leave by the main front doors, and sign in at the office upon arrival. The Principal may, at her sole discretion, deny access to any school space by any visitor.

Marjorie Williams Academy is a closed campus. Unless specifically permitted by school personnel, students may not leave school, nor have non-parent/ visitors at school during school hours. Students are not permitted to leave the school building at any time unless they are given specific permission by a faculty member and are under the supervision of a faculty member or school-approved adult supervisor. Exceptions to this rule may only be granted by the Principal or her designee.

All students will be assigned a laptop at the beginning of the school year to take and leave at home. This laptop is assigned for the sole purpose of remote learning instruction. The student is financially responsible for the laptop and any damage incurred while in the student’s possession. It is the responsibility of the student to ensure the laptop is able to connect in order to work remotely. All guidelines in the Remote Learning Plan and Acceptable Use Policy are to be followed.

Although the goal of these policies is to alleviate the need for punitive discipline, Marjorie Williams Academy is committed to providing a safe and appropriate educational environment for all students at all times. Therefore, the Principal and principal designee have discretion to apply disciplinary measures, as outlined below, when deemed appropriate to further that goal.

Disciplinary Code of Conduct

Marjorie Williams Academy functions as a partnership between students, school staff and CPs/parents. Students are expected to understand and comply with appropriate codes of conduct. In general, students are given greater responsibility and held to higher standards of accountability as they mature and rise through the grades in our school community.

Marjorie Williams Academy faculty and staff are expected to model, teach and enforce appropriate codes of conduct. Parents/CPs are expected to work with students and school staff to promote understanding and compliance with appropriate codes of conduct and respect for school staff. All members of the Marjorie Williams Academy community should treat each other with respect and work together to create a safe environment that is conducive to learning and healthy development.

School property and personal property must be respected. State and federal laws must be followed. Our Disciplinary Code of Conduct applies on school grounds at all times and at other locations during school sponsored events.

Marjorie Williams Academy strives to avoid disciplinary problems by modeling and teaching appropriate behavior in accordance to Love and Logic and Sanctuary model of care. Teachers and staff will use their best judgment to handle each situation in the best interests of the student and the school as a whole. In the interest of consistency and predictability, Marjorie Williams Academy has established a framework of three Categories of Disciplinary Code Violations, as described below. Infractions and potential consequences listed are examples, and do not include all possible situations. For repeated problems, consequences will be progressive in application.

Marjorie Williams Academy's discipline and suspension policies for students with disabilities follow the North Carolina Procedures Governing Programs and Services for Children with Disabilities. Existing Marjorie Williams Academy policies that support information produced in this handbook, or policies being considered for adoption by the Marjorie Williams Academy Board of Directors, can be obtained by contacting Marjorie Williams Academy Office at 828-733-5241. Discrimination, Harassment, and Bullying Policy & Procedures

Marjorie Williams Academy is committed to providing an environment that is conducive to learning, free from improper and illegal discrimination and harassment, particularly that which is

based on race, religion, gender, ethnicity, national origin, disability, or any other legally protected classification. Furthermore, Marjorie Williams Academy is committed to promoting the worth and dignity of all individuals, regardless of race, religion, gender, sexual orientation, ethnicity, national origin, or disability. The faculty and staff will establish and maintain an atmosphere in which students can develop attitudes and skills for effective, cooperative living, including the following:

- Respect for individuals as noted above;
- Respect for cultural differences;
- Respect for economic, political, and social rights of others; and
- Respect for the rights of others to seek and maintain their own identities.

Any student who believes she/he is the victim of harassment, bullying, and/or discrimination should immediately inform a teacher or adult whom they trust. Students may also directly inform the Principal.

Discrimination involves intentionally treating anyone in an unequal or disparate manner because of that person's inherent or natural personal characteristics when such treatment causes the victim to suffer adverse educational, employment, or other school-related consequences. Harassment is any unwelcome offensive verbal, nonverbal or physical conduct that is sufficiently severe, persistent or pervasive as to significantly affect the conditions of one's employment or a student's learning. Harassment includes, but is not limited to the following: abusive jokes, insults, slurs, name calling, threats, bullying or intimidation, unwelcome sexual advances, or the exchange of benefits for performance of sexual or other favors.

Bullying includes behaviors or communications, explicit and implicit, by one person or group toward another person or group that intimidates, threatens, or otherwise reasonably places the recipient(s) in fear of harm of person, property, or reputation. Bullying can occur in person, through traditional forms of communication, and electronically via such means as social media, e-mail, text messaging and similar venues.

Discrimination, harassment, and bullying are prohibited at the School and during school-related activities between students, employees, school agents, volunteers, visitors and any other person associated with or under the control of the School.

Procedures established by the school for reporting suspected discrimination, harassment or bullying shall be followed in any instances involving such conduct. Marjorie Williams Academy prohibits reprisal or retaliation against any person who reports an act of discrimination, harassment, or bullying. This policy, however, shall not be used to bring frivolous or malicious complaints.

The principal is authorized and expected to establish training and administrative procedures to help eliminate discrimination, harassment, and bullying and to foster an environment of understanding and respect for all individuals.

Sexual Harassment Policy

Of the various types of harassment, sexual harassment is worthy of special considerations beyond those applicable under the school's general Harassment Policy. No employee or student shall engage in sexual harassment against any other student, employee, or another person in the school community. Sexual harassment includes any unwelcome sexual advance, request for sexual favors, or sexually suggestive comments when:

- Submission to the conduct is made either explicitly or implicitly a term or condition of an individual's employment or education.
- Submission to or rejection of such conduct by an individual is used as a basis for student or employment decisions affecting such individual.

The Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal law which governs the maintenance of student records. Under the law, parents of students and/or students who are at least 18, have both the right to inspect records kept by the school about the student and the right to correct inaccuracies in records. Access to the records by persons other than parents or the student is limited and generally requires prior consent by the parents or student.

Marjory Williams Academy classifies the following as directory information: student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received and most recent previous educational agency or institution attended by the student. Any parent or eligible student who objects to the release of any or all of this information without his/her consent must notify, in writing, the Principal of Marjorie Williams Academy. The objection must state what information the parent or student

does not want to be classified as directory information. If no objection is received within seven (7) days of the first day of school, the information will be classified as directory information until the beginning of the next school year.

If you believe that Marjorie Williams Academy has failed to maintain the privacy of the record of your child, you may file a complaint with the principal of the school. You will be asked to write down the incident that you believe to be in violation of the right of privacy act, and the persons you believe breached this privacy. You may also file a complaint about the failure of Marjorie Williams Academy to comply with the Family Educational Rights and Privacy Act at the same time you file such a complaint as described above. The address is: FERPA Office, Department of Education, 330 Independence Avenue, S.W., Washington, DC 20201. You may file a complaint with the Department of Education without filing a complaint with the local unit.

Section Three: Academics Policies & Procedures

Grading Policy

Marjorie Williams Academy strives to have clear expectations for students. The school year at Marjorie Williams Academy is divided into two semesters, which are subdivided into two 9 week grading periods. Each teacher is required to post/provide the following information:

- Class expectations
- Grading policy
- Homework policy
- Course outline

To provide a supportive and encouraging learning environment for students the following system for assessing student's academic development is used:

Kindergarten – Eighth Grade - Depending on the substance of the course work, a student will receive an indication of progress based on the R/B/D/P/M Standards Based Grading Scale, which is defined as follows:

Remedial = 1 this describes the level when a student lacks foundational knowledge to grasp a new concept or does not progress after repeated instruction.

Beginning = 2 this describes the level expected when a new concept is introduced.

Developing = 3 the student completes 50% of the concept correctly.

Proficient = 4 the student is able to complete 80% of the concept correctly.

Mastery = 5 the student is able to complete 90% of the concept correctly.

Marjorie Williams Academy High School Grading Scale (N.C. 10pt Grading Scale)

A = 100 - 90

B = 89 - 80

C = 79 – 70

D = 69 – 60

F = 59 – 50

NEP- No Evidence Provided = 0

All courses taken by students must fit within the requirements or electives in the NC Standard Course of Study and the Powerschool coding system for transcripts.

Academic Intervention Policy / MTSS

According to the North Carolina Department of Public Instruction, a student “at risk” is a young person who, for whatever reason, may experience low achievement, unless interventions occur to reduce the risk factors. Teachers systematically assess students through formative assessment to ensure that each student is working at grade level. If concerned, teachers will follow these steps:

- Inform the parents;
- Describe interventions that are presently being used in class;
- Suggest interventions for CP/parents to do at home;
- Assess progress;
- If significant progress is not made, the teacher will write a Personalized Education Plan (PEP) that lists interventions previously used, as well as new interventions;
- Teachers and parents continue to assess progress; and
- If further action is needed, the teacher will consult with the MTSS Committee and Exceptional Children Department, to see if further intervention is needed.

Child Find

Summary Points

- If the school has a concern about any child, ages 3 through 21, we are obligated to address that concern by convening either a MTSS meeting to begin the intervention process and/or an IEP team meeting to discuss pursuing an evaluation for special education.
- An evaluation will help an IEP team determine if a student meets criteria to receive special education services, including specially designed instruction.
- If you as a parent have concerns about your child, we are obligated to address that concern.
- If you would like your child evaluated for EC services, you need to put that request in writing (we would be glad to help you if needed) and we are obligated to convene an IEP meeting to discuss that concern, and if deemed necessary, complete an evaluation.
- If someone other than the parent/guardian or school staff has concerns about your child, we are required to inform you of that information within 30 days and convene a meeting to discuss those concerns and to determine if an evaluation for services is necessary.

Childfind Rules from Policies Governing Services for Children with Disabilities:

- A. Marjorie Williams Academy has policies and procedures in effect that ensure that:
- All children with disabilities, ages three through 21 enrolled at Marjorie Williams Academy, including children who are homeless or are wards of the State, regardless of the severity of their disability, and who are in need of special education and related services, are identified, located, and evaluated;
 - All children with disabilities ages three through 21, who are parentally placed in a private school located in Avery County, including students being homeschooled,

- regardless of the severity of their disability, and who are in need of special education and related services, are identified, located, and evaluated; and
- A practical method is developed and implemented to determine which children are currently receiving needed special education and related services.
- B. Use of term developmental delay. The following provisions apply with respect to implementing the child find requirements of this section:
- Developmental delay applies to children in Avery County aged three through seven.
- C. Child find must also include:
- Children who are suspected of being a child with a disability and in need of special education, even though they are advancing from grade to grade; and
 - Highly mobile children, including migrant children.
- D. Timeline for responding to a notification made by person other than parent or LEA.
- Within thirty (30) days of receipt of written notification of concerns regarding a child, Marjorie Williams Academy shall issue a written response to the child's parent. The response shall include either an explanation of reasons Marjorie Williams Academy will not pursue the concerns or a date for a meeting in which Marjorie Williams Academy and parent will review existing data and determine whether a referral for consideration of eligibility for special education is necessary. Such meeting must be held within a reasonable amount of time.

Speech-Language Services – Speech-Language Services are provided after school by a contracted speech-language pathologist. If it is determined that a student needs speech-language services, the parent will be contacted by the school to discuss the student's service schedule and a permission form will be provided to the parent outlining the terms of the service times.

Parent/Guardian – Teacher Conferences

Research shows that students whose parents/guardians are involved in their child's education have a higher rate of academic achievement. Attending parent-teacher conferences is a way to be involved and help your child succeed. Parent/guardian teacher conferences are opportunities for a child's parent/CP/guardian to meet with the child's teacher and discuss how the child can best succeed in school. Marjorie Williams Academy has set aside **every Thursday afternoon at 3:15** for parent/guardian conferences. The two-way communication goes beyond the report card to bring out more facts and to create better understanding of the child's progress. If this time is in conflict with your schedule, please contact the teacher so that a mutually convenient time can be scheduled. Together, the parent/guardian and teacher form the ideal partnership to help the child.

Elementary School Promotion

Students in the elementary grades (K-5) will be promoted or retained on an individual basis based on a consideration of the following criteria: social readiness, level of parental support, making satisfactory progress in both language arts and math, and, as appropriate, achieving a III or better on the End of Grade Examinations (including retests). When a child is being considered for retention, the final decision is made, not only based on the above criteria, but also through the collaboration of teachers, administration and the EC department. The final determination of whether or not to retain a student rests with the Principal.

Middle School Promotion

Before receiving a recommendation for promotion, students in middle school (grades 6– 8) must pass four subjects, two of which must be language arts and math. Additionally, students in Grades 6-8 must score a Level III or above on their Math and Reading End of Grade Examinations (including retests) and all End of Course exams in order to be promoted. The final determination of whether or not to retain a student rests with the Principal.

High School Promotion

Students entering high school must pass certain required courses, in addition to earning a minimum number of credits, to be promoted to the next grade level. Students will be promoted according to the following standards:

To be promoted to the 10th grade, a student must have earned at least six credits.

To be promoted to the 11th grade, a student must have earned at least 12 credits.

To be promoted to the 12th grade, a student must have earned a minimum of 20 credits and be able to satisfy all graduation requirements within the remaining two semesters. Students must complete a minimum of 24 credits including all required courses, and pass all tests required by the state of North Carolina before receiving a high school diploma.
